

ENTRY DESCRIPTIONS

A maximum of **three** entries may be submitted, only one of which may be a group, set or installation.

If submitting more than one entry, please prioritise with 1 as your highest priority, 3 the lowest. This will assist us if exhibits need to be excluded due to space and/or display considerations. Lower priority exhibits will generally be excluded first although consideration will also be given to the size/nature of the piece and the overall display look and space. All entries, whatever their priority, will be presented to the judge for consideration, unless excluded prior to judging due to obvious technical faults.

- Proposals for installation-type entries must be submitted prior to delivery of entries and will be considered at the discretion of Canberra Potters.
